(cxxix) “**Waiver and Support Fees**” means the fees set forth in Sections 4(a)-(c).

(cxxx) “**Withdrawal Event**” has the meaning given to such term in Section 9(a).

(b) Rules of Interpretation.

(i) Except as expressly set forth herein, nothing contained herein shall be construed to alter, waive or otherwise affect the respective powers, rights, or responsibilities of FOMB, AAFAF, or PREPA, whether such powers, rights, or responsibilities arise under PROMESA or other applicable law.

(ii) Each Supporting Holder is a party hereto solely in its capacity as the beneficial owner or insurer of Bonds issued by PREPA; provided that no Supporting Holder shall oppose the Settlement Motion in any capacity.

(iii) When a reference is made in this Definitive RSA to a Section, Exhibit, or Schedule, such reference shall be to a Section, Exhibit, or Schedule, respectively, of or attached to this Definitive RSA unless otherwise indicated. Each of the exhibits, annexes and schedules to this Definitive RSA is expressly incorporated herein and made a part of this Definitive RSA, and all references to this Agreement or this Definitive RSA (including by use of words such as “herein”) shall include such exhibits, annexes and schedules. Unless the context of this Definitive RSA otherwise requires, (a) words using the singular or plural number also include the plural or singular number, respectively, (b) the terms “hereof,” “herein,” “hereby” and derivative or similar words refer to this Definitive RSA, (c) the words “include,” “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation,” (d) the word “or” shall not be exclusive and shall be read to mean “and/or,” (e) the word “person” shall be understood to refer to any individual, corporation, limited liability company, estate, partnership, joint venture, association, joint stock company, trust (including any beneficiary thereof), unincorporated organization, or government, or agency, instrumentality, or political subdivision thereof, (f) “business day” shall refer to any day other than a Saturday, Sunday or any other day on which banks located in New York, New York or San Juan, Puerto Rico are closed for business as a result of a federal, state, or local holiday, and (g) “writing,” “written,” and comparable terms refer to printing, typing, and other means of reproducing words (including electronic media) in a visible form, and any requirement that any notice, consent, or other information shall be provided in “writing” shall include email.

(iv) All Definitive Documents must be consistent with this Agreement and (other than in the case of the IRS Private Letter Ruling Request, which is subject to the consultation rights set forth in Section 7(b)(ii)) in form and substance mutually agreed upon by the Required Parties. If a Definitive Document must be entered by the Title III Court, enacted into law, or issued by the IRS, the as-entered, as-enacted, as-confirmed, or as-issued version of such Definitive Document must be consistent with this Agreement, and in form and substance reasonably acceptable to the Required Parties. Notwithstanding the foregoing, after a Securitization Termination, the form and substance of the Definitive Documents shall be deemed to be reasonably acceptable to the Required Uninsured Holders and Assured if such Definitive Documents provide the Stipulated Treatment and other required payments and otherwise comply with the surviving requirements of this Definitive RSA. Any reference in this Agreement to a Definitive Document means a Definitive Document that meets the standards in this Section 1(b)(iv).

(v) The Additional Definitive Documents or Additional Definitive Documentation must be in form and substance reasonably acceptable to each of the Government Parties and, if an Additional Definitive Document must be entered by the Title III Court, enacted into law, or issued by the IRS or PREB, the as-entered, as-enacted, as-confirmed, or as-issued version must be in form and substance reasonably acceptable to each of the Government Parties; provided that if the Additional Definitive Documents are not reasonably acceptable to AAFAF or PREPA and FOMB proceeds without such consent, nothing herein shall prevent

AAFAF from filing a Permitted Puerto Rico Objection. In addition, any portion of an Additional Definitive Document that materially relates to the treatment of the Bond Claims of Supporting Holders (including any portion relating to the Securitization Bonds, the Transition Charge or the Demand Protections) shall be consistent with this Agreement and in form and substance mutually agreed upon by the Required Parties, and nothing else in the Additional Definitive Documentation shall be materially inconsistent with this Agreement. If an Additional Definitive Document must be entered by the Title III Court, enacted into law, or issued by the IRS or PREB, then any portion of such Additional Definitive Document that relates to the treatment of the Bond Claims of Supporting Holders (including any portion relating to the Securitization Bonds, the Transition Charge or the Demand Protections) contained in the as-entered, as-enacted, as-confirmed, or as-issued version of such Additional Definitive Document must be in form and substance reasonably acceptable to the Required Parties, and nothing else in such Additional Definitive Document shall be materially inconsistent with this Agreement. Notwithstanding the foregoing, after a Securitization Termination, the form and substance of any portion of the Additional Definitive Documents that directly relates to the treatment of the Bond Claims of Supporting Holders shall be deemed to be reasonably acceptable to the Required Uninsured Holders and Assured if such portions of the Additional Definitive Document provide the Stipulated Treatment and other required payments and otherwise comply with the surviving requirements of this Definitive RSA. Any reference in this Agreement to an Additional Definitive Document (including provisions requiring such documents to be mutually agreed upon by, or acceptable to, the Required Parties) means an Additional Definitive Document that meets the standards in this Section 1(b)(v).

(vi) FOMB is a party hereto solely in its capacity as the representative of PREPA under PROMESA section 315(b), and AAFAF is a party hereto solely in its capacity as a representative of PREPA pursuant to Act 2-2017; provided that, without limiting the above, PREPA is entitled to exercise its rights under this Agreement (including its rights to terminate this Agreement and/or its right to consent to any waiver or amendment in accordance with the provisions of this Agreement) and provided further, that for purposes of determining whether a termination pursuant to Section 9 has occurred, (i) all actions of FOMB shall be treated only as actions of FOMB, and (ii) all actions of AAFAF shall be treated only as actions of AAFAF.

## **Section 2     9019 Settlement.**

(a) FOMB shall file a motion (the “**Settlement Motion**”) together with a draft 9019 Order with the Title III Court seeking approval of this Definitive RSA and 9019 Settlement within ten (10) business days after the execution of this Definitive RSA by the Government Parties, the Ad Hoc Group Members and Assured. Within five (5) business days of the filing of the Settlement Motion, the Ad Hoc Group and Assured shall direct the Trustee, pursuant to the Trust Agreement, to join the Settlement Motion. By signing the RSA after the RSA Execution Date, a Supporting Holder shall be deemed to have joined in such direction. None of the Supporting Holders or the Government Parties shall be required by this Definitive RSA to provide any

indemnity to the Trustee and any relief requested under the Settlement Motion shall be contingent on the entry of the 9019 Order that includes a full exculpation of the Trustee and the directing Supporting Holders for any liability for joining the Settlement Motion and entering into the Tolling Agreement or providing direction in respect of the same. Concurrently with the filing of the Settlement Motion, the FOMB shall file a motion (the “**Dismissal Motion**”) and form of order seeking dismissal of the Monoline Motion, which Dismissal Motion and form of order shall be in form and substance reasonably acceptable to the Required Parties.

(b) Once approved by the Title III Court, the 9019 Order shall constitute (A) a settlement of (i) the Bondholder Litigation including, without limitation, the Monoline Motion (which shall be settled as to the Supporting Holders and dismissed without prejudice to the renewal of any motion similar to the Monoline Motion by the Supporting Holders in the event of a Stipulated Treatment Termination or an Individual Termination as to Assured only (unless the Individual Termination is rescinded by the Government Parties as if such termination never occurred) and, in the event of such renewal, without prejudice to the Government Parties’ right to defend such motion) by all Supporting Holders, (ii) the Supporting Holders’ ability to exercise or assert any rights or remedies under the Trust Agreement or other applicable law (including seeking to lift the stay or to accomplish any of the foregoing) or to direct the Trustee or provide legal or financial advice or assistance to support any other parties in connection with any of the foregoing, and (iii) the Supporting Holders’ asserted right to receive any current payment or adequate protection payments on the Bonds (other than, in the case of Insured Bonds, payment from the Insurers under the Bond Insurance Agreements); (B) a tolling (including, without limitation, as to FOMB, any future or successor to FOMB and any members thereof) of all unexpired statutes of limitations for any causes of action related to the Bonds, including any Lien Challenge and any potential Bondholder Litigation, until forty-five (45) days after a Stipulated Treatment Termination; and (C) approval and authorization of (x) the Settlement Charge, the Settlement Payments, the Increased Settlement Charge, the Increased Settlement Payments, the Waiver and Support Fees, the Adequate Protection Payments, and the incurrence of the Administrative Claims, and (y) the right of the Supporting Holders to receive the Stipulated Treatment (collectively, the “**9019 Settlement**”). The 9019 Settlement shall terminate as to all Supporting Holders upon a Stipulated Treatment Termination and as to applicable individual Supporting Holder upon an Individual Termination.

(c) Allowed Claim and Stipulated Treatment.

(i) The 9019 Order shall provide that, if a Securitization Termination has occurred, then, except as otherwise set forth in this Definitive RSA in the event of an Individual Termination (as to such terminated Supporting Holder) or a Stipulated Treatment Termination (as to all Supporting Holders), each of the Supporting Holders shall be deemed to have an allowed secured claim in a face amount equal to (i) 73.25 % of the Applicable Bond Claim of the outstanding Bonds held or insured by such Supporting Holder, plus (ii) such Supporting Holder’s allocated share (if any) of the Waiver and Support Fees inclusive of interest accrual at the contract rate through Administrative Claim Commencement, plus (iii) in the case of Assured, to the extent that Assured’s Stipulated Treatment is required to be adjusted as described in Section 2(c)(ii) to compensate Assured for the loss of the

value of any portion of the Assured Treatment, the amount of such loss of value (the “**Allowed Claim**”).

(ii) The 9019 Order shall provide that, if a Securitization Termination occurs, then, except as set forth below in the event of an Individual Termination (as to such applicable holder) or a Stipulated Treatment Termination (as to all Supporting Holders), and solely for purposes of settlement and without prejudice to the rights of the Parties in any other context, (i) the Supporting Holders’ Allowed Claim shall be treated as if it were an allowed secured claim against the Net Revenues (as defined in the Trust Agreement) of PREPA in any subsequent Plan that is confirmed after a Securitization Termination, secured by collateral worth at least the amount of the Allowed Claim as of the Effective Date of such Plan, (ii) the foregoing shall be included in any Plan, qualifying modification, exchange, or other restructuring of Bonds subject to this Agreement, and (iii) in the case of Assured, Assured shall be provided the opportunity to wrap debt securities being issued on account of the Assured Insured Bonds, to provide a DSRF surety for such debt securities and receive the related premiums to the same extent as set forth in the Assured Treatment below; provided that if Assured is not offered the opportunity to provide such wrap, to provide such DSRF surety and receive such premiums, then Assured’s Stipulated Treatment shall be adjusted to compensate Assured for the loss of that value; and, provided further, that if Assured is offered the opportunity to provide such wrap, to provide such DSRF surety and receive such premiums, and it declines to do so, Assured’s stipulated treatment shall not be adjusted to include such value (collectively, the “**Stipulated Treatment**”).

(iii) If at any time after September 1, 2019, the Supporting Holders who have not committed a Bondholder Breach hold or insure less than the applicable Required Threshold, then upon notice in accordance with Section 27 from any of the Required Holders or any of the Government Parties, the remaining Supporting Holders shall have 60 days to obtain signatures to this Definitive RSA from additional Bondholders or acquire additional Uninsured Bonds such that the Bonds subject to this Definitive RSA equal or exceed the Required Threshold (each such 60 day period, a “**Joinder Period**”) and the Government Parties shall cooperate with the Supporting Holders in connection therewith including posting appropriate notices on EMMA; provided, however, that any such Joinder Period shall terminate no later than ten (10) days prior to the date of the hearing on the Disclosure Statement. Any Uninsured Bond that becomes subject to this Definitive RSA during a Joinder Period shall begin receiving its first pro rata share of any Settlement Payments and accruing Administrative Claims as of the applicable Administrative Claim Commencement. Bonds that have a particular Administrative Claim Commencement shall be identified by a separate CUSIP in accordance with Section 2(f) or, if mutually agreed to by the Required Parties, be subject to a special administrative claim bar date under the Plan. Uninsured Bonds purchased by Supporting Holders after September 1, 2019, at any period other than during a Joinder Period shall not be entitled to Administrative Claims, Settlement Payments, Increased Settlement Payments, or Adequate Protection Payments but

shall be subject to this Definitive RSA for all other purposes, including voting obligations and entitlement to the Stipulated Treatment.

(iv) The 9019 Order shall provide that in the event of a Securitization Termination then, and unless the Title III Case has been dismissed, until the occurrence of an Individual Termination (as to such applicable Bondholder) or a Stipulated Treatment Termination (as to all Supporting Holders), Settlement Payments (or Increased Settlement Payments or Adequate Protection Payments, as applicable) shall continue to be made to the Supporting Holders and the Administrative Claims shall continue to accrue. In the event of an Individual Termination (as to such applicable holder) or a Stipulated Treatment Termination (as to all Supporting Holders), any accrued and unpaid Administrative Claim shall be disallowed; provided that, with regard to a Stipulated Treatment Termination under Section 9(c)(i)(6), Supporting Holders will be entitled to an Administrative Claim that will have accrued through the date the Title III Court first denied confirmation of a Plan where such denial is not solely on grounds raised in an objection by PREPA or AAFAF (“**Surviving Administrative Claim**”).

(d) Settlement Payments and Administrative Claims.

(i) Subject to entry of the 9019 Order, the Government Parties shall implement and collect the Settlement Charge and make the Settlement Payments.

(ii) Subject to approval of the Title III Court, the Settlement Payments shall be made solely on account of Bonds subject to this Definitive RSA at the time such Settlement Payment is made on a pro rata basis based on the outstanding principal amounts of the Bonds subject to this Definitive RSA; provided that no Settlement Payment shall be made on any Bond that is not subject to this Definitive RSA by September 1, 2019 (unless such Bond is an Uninsured Bond that becomes subject to this Definitive RSA during a subsequent Joinder Period) and no Bondholder shall receive any Settlement Payments on account of Bonds held by such Bondholder after an Individual Termination as to such Bondholder. Any Settlement Payments made on account of Assured Insured Bonds shall be made to Assured.

(iii) If a Bond is subject to this Definitive RSA prior to Administrative Claim Commencement and the 9019 Order is entered (and a Stipulated Treatment Termination does not occur subsequently as a result of the 9019 Order being reversed on appeal), such Bond subject to this Definitive RSA shall be entitled to a stipulated administrative expense claim for

(x) an amount equivalent to the Tranche A Bond interest payments accrued in respect of such Bond (including accruals at the same rate on such interest payments that would have been due on any interest payment date for Tranche A Bonds if such bonds were issued as if such interest payments were paid in kind), less

(y) the amount of Settlement Payments or Increased Settlement Payments that are made on account of such Bond (such claim, the “**Administrative Claim**”)

from and after the Administrative Claim Commencement applicable to such Bond until the earliest of (A) a Stipulated Treatment Termination, (B) with respect to a Supporting Holder, an Individual Termination with respect to such Supporting Holder, or (C) the Effective Date of a Plan in PREPA’s Title III Case. The Administrative Claims shall also include accrual and payment-in-kind of interest on the Waiver and Support Fees.

(iv) In lieu of Settlement Payments and/or cash payment of Administrative Claims on the Effective Date of a Plan (to the extent the Government Parties elect to pay Administrative Claims in cash), an individual Supporting Holder may elect to receive Tranche A Bonds for its Administrative Claims at the Exchange Ratio for Administrative Claims; provided that such election shall be structured as between the Supporting Holders and in a manner that does not increase the aggregate Administrative Claim or Transition Charge that would otherwise be payable under this Definitive RSA. If no agreement is reached by the Required Holders on implementing the election as provided herein, then no such election shall be available.

(v) Effective on the earlier of May 1, 2019 and the date of entry of the 9019 Order, solely for purposes of the 9019 Settlement and recoveries under this Definitive RSA, interest accrual on the Bonds shall be deemed to terminate. In the event of a Stipulated Treatment Termination or an Individual Termination, all Parties reserve all rights regarding post-petition interest.

(e) Delayed Implementation Date.

(i) If a Title III plan for PREPA has not been confirmed and has not gone effective (and no other transaction has been consummated pursuant to which the Stipulated Treatment or the Securitization Bonds have been provided) by March 31, 2021 (the “**Delayed Implementation Date**”), and subject to and conditioned upon issuance or enactment of all required legislative and regulatory approvals, PREPA shall put into effect a charge equal to the Transition Charge that would have gone into effect on that date assuming the Effective Date occurred and Securitization Bonds were issued on such date, which charge shall thereafter increase from time to time as if the Securitization Bonds were outstanding (the “**Increased Settlement Charge**”).

(ii) Collections on account of the Increased Settlement Charge shall be (A) paid monthly (the “**Increased Settlement Payments**”), pro rata on account of Bonds that are subject to this Definitive RSA and became subject to this Definitive RSA prior to September 1, 2019 or, in the case of Uninsured Bonds, during a Joinder Period, unless otherwise mutually agreed to by the Required Parties on terms mutually agreed to by the Required Parties, and (B) applied (y) first on

account of accrued and unpaid Administrative Claims (subject to any election to receive the Administrative Claims in Tranche A Bonds as set forth in this Definitive RSA), and (z) after payment of the Administrative Claims, to reduction of the Allowed Claim or amount of the Tranche A Bonds (as applicable); provided, however, only amounts actually collected by PREPA on account of the Increased Settlement Charge are required to be distributed.

(iii) On and after the Delayed Implementation Date, the obligation to make Settlement Payments shall be replaced by the obligation to make Increased Settlement Payments.

(iv) On and after the Delayed Implementation Date, the accrual of Administrative Claims in favor of the eligible Bonds held or insured by Supporting Holders shall continue, to the extent not paid by the Increased Settlement Charge, for an amount equal to the higher of (i) an amount equivalent to Tranche A interest payments (including accruals on unpaid Administrative Claims as if such unpaid Administrative Claims were paid in kind semi-annually) and (ii) an amount equal to the difference between (A) the amount of any Increased Settlement Payments or Adequate Protection Payments that would have been required to have been made as set forth above and (B) the amount of any Increased Settlement Payments or Adequate Protection Payments actually received in respect of such Bond. If the payment (whether in cash or in Tranche A Bonds) of any resulting Administrative Claim under clause (ii) exceeds the amount in clause (i), the Allowed Claim or the principal amount of Tranche A Bonds to be issued at Effective Date, as applicable, shall be reduced by the amount of such excess.

(v) To the extent the Securitization Bond Treatment or the Stipulated Treatment is provided after the Delayed Implementation Date, the terms of such Securitization Bonds or Stipulated Treatment, including maturity of the Tranche B Bonds and accrual of the Tranche B Bond amounts between the Delayed Implementation Date and the Effective Date, if applicable, shall be adjusted in a manner mutually agreed upon by the Required Parties (or if no such agreement can be reached, as ordered by the Title III Court) to take into account the Increased Settlement Payments made prior to the date of issuance of the Securitization Bonds or the provision of the Stipulated Treatment so that the cost to the Government Parties (and recovery on account of any Bond) is no greater (and no less) than that of the 9019 Settlement (including with respect to the maturity of the Securitization Bonds or the Stipulated Treatment to be provided under this Definitive RSA, as applicable).

(vi) On and after the Delayed Implementation Date, no Increased Settlement Payments shall be made if an Individual Termination (as to such applicable Bondholder) or if a Stipulated Treatment Termination (as to all Supporting Holders) occurs or has occurred, and any Administrative Claim accrued by such Supporting Holders under this Definitive RSA shall be expunged and disallowed as a result of an Individual Termination (as to such applicable Bondholder) or a Stipulated Treatment Termination (as to all Supporting Holders),

other than the Surviving Administrative Claim. In addition, the obligation to make Increased Settlement Payments shall terminate on the earliest of (i) a termination pursuant to Section 9(d)(vi) as to PREPA or AAFAF, (ii) the Effective Date of a Plan (or the effective date of another transaction pursuant to which the Securitization Bond Treatment or Stipulated Treatment is provided), or (iii) dismissal of the Title III Case.

(vii) The 9019 Order shall provide that, if the Delayed Implementation Date occurs and PREPA has not implemented the Increased Settlement Charge to the extent required by this Definitive RSA, or in the event the Delayed Implementation Date occurs or has passed and PREPA is no longer a party to the RSA due to a termination pursuant to Section 9(d)(vi), then PREPA shall be obligated pursuant to the 9019 Order to make cash adequate protection payments (the “**Adequate Protection Payments**”) on a monthly basis in an amount equal to the amount of Increased Settlement Payments (as defined below) that would have been required had the Increased Settlement Charge been implemented on such date and assuming that all Increased Settlement Payments would have been made to eligible Bonds subject to this Definitive RSA. PREPA’s obligation to make Adequate Protection Payments shall terminate on the earliest of (i) the date the Increased Settlement Charge is implemented, (ii) the Effective Date of a Plan (or the effective date of another transaction pursuant to which the Securitization Bond Treatment or Stipulated Treatment is provided), (iii) in the case of an individual Supporting Holder, an Individual Termination, or (iv) in the case of all Supporting Holders, a Stipulated Treatment Termination.

(f) Tracking Provisions.

(i) Uninsured Bonds held by Supporting Holders shall be assigned alternative identifying CUSIPs to allow such Uninsured Bonds to be freely transferable and remain subject to the provisions of this Definitive RSA. The Supporting Holders shall, and to the extent necessary shall direct the Trustee to, cooperate with the Government Parties in obtaining the alternative identifying CUSIPs. The details of the foregoing, as well as other mechanisms for implementing, tracking and disclosing the different payments and claims that Bonds are entitled to hereunder, shall be set forth on a term sheet to be mutually agreed upon by the Required Parties and filed with the Title III Court prior to entry of the 9019 Order (the “**Tracking Mechanics Term Sheet**”). Such mechanisms shall be set up in such a manner such that they do not have an adverse effect on the enforceability, validity, tax exemption, or other rights of the Bonds, or on the lawful transferability of the Bonds under applicable securities laws.

(ii) The Supporting Holders shall (A) to the extent necessary, direct the Trustee to cooperate with the Government Parties in obtaining the alternative identifying CUSIPs, and (B) take the related actions agreed upon in the Tracking Mechanics Term Sheet.

### Section 3 Litigation Stay and Forbearance.

The Parties agree as follows:

(a) The Ad Hoc Group shall support dismissal of the Monoline Motion. Assured shall not oppose the Dismissal Motion and shall withdraw from the Monoline Motion upon the granting of the Settlement Motion.

(b) Unless all applicable deadlines on the Monoline Motion are extended as mutually agreed by the Parties and the other movants, the Ad Hoc Group, Assured, and the Government Parties shall jointly file an urgent motion(s) (or separate motions and/or joinders thereto) with the Title III Court as soon as practicable seeking to stay all applicable deadlines for the Monoline Motion (the “**Stay Motion**”) until five (5) business days after the later of the date of entry of the 9019 Order and the date of entry of the order resolving the Dismissal Motion.

(c) The Government Parties, Ad Hoc Group, Assured, and the Trustee shall execute an agreement tolling all unexpired statutes of limitations for all causes of action related to the Bonds, including any Lien Challenge and any potential Bondholder Litigation (the “**Tolling Agreement**”) and request Title III Court approval of such Tolling Agreement. By signing this RSA after the RSA Execution Date, a Supporting Holder shall be deemed to have joined the Tolling Agreement.

(d) If a Bondholder Litigation (as defined below) is commenced or continued, the Parties shall work in good faith to have such Bondholder Litigation dismissed, stayed, or withdrawn; provided that, so long as the Ad Hoc Group and Assured are in compliance with this covenant, only Supporting Holders that are represented by counsel that has appeared in the Title III Case shall be required to file a pleading pursuant to this covenant but all Supporting Holders will be required to otherwise work in good faith.

(e) The Government Parties shall not commence a Lien Challenge except in the following circumstances: (i) if an order granting the Stay Motion has not been entered by May 3, 2019 (or such later date as the Government Parties’ response to the Monoline Motion is required to be filed); (ii) a Triggering Event has occurred; (iii) if any applicable statute of limitations is expiring within the next seven (7) days; (iv) FOMB’s authority to prosecute PREPA’s Title III Case is expiring; or (v) with the written consent of the Required Holders; provided that in the case of clause (iii) or (iv) above, none of the Government Parties shall commence a Lien Challenge so long as the applicable statute of limitations is (and remains) tolled (including, without limitation, as to FOMB, any future or successor to FOMB, and any members thereof) by an order of the Title III Court in form and substance acceptable to each of the Required Parties. If any of the Government Parties files a Lien Challenge permitted by clause (iii) or (iv) above, the Government Parties shall use commercially reasonable efforts to stay any further proceedings in respect of such Lien Challenge (including extending all relevant deadlines and otherwise forbearing from pursuit of such Lien Challenge) if they are able to do so in a manner that does not prejudice their ability to resume or prosecute the Lien Challenge after expiration or termination of such stay. If any of the Government Parties files a Lien Challenge permitted by clause (i) above, the Government Parties shall seek a stay of such Lien Challenge (including extending all relevant deadlines and otherwise forbearing from pursuit of such Lien Challenge) concurrently with any filing of an

adversary complaint related to the Lien Challenge, and request that the stay shall continue until the Government Parties would have otherwise been permitted to commence a Lien Challenge under the terms hereof; provided that such stay shall only go into effect if the Stay Motion is granted and the Government Parties shall be permitted to prosecute the Lien Challenge until the Stay Motion is granted or the Monoline Motion is denied or dismissed.

(f) Except as otherwise permitted by this Agreement (including Sections 3(g) and 3(h)), Supporting Holders cannot contest or defend against a Lien Challenge on any grounds. In the event a Lien Challenge is commenced at any time prior to entry of the 9019 Order and such Lien Challenge has not been stayed, the Supporting Holders reserve all rights regarding such Lien Challenge, nothing herein shall constitute an admission by the Supporting Holders as to the Government Parties' authority or standing to prosecute such Lien Challenge or the merits of their claims, and, subject to any right herein of any Government Party to declare a Stipulated Treatment Termination prior to entry of the 9019 Order, the Supporting Holders shall have the right to contest and defend against such Lien Challenge on any grounds, including bringing counterclaims related to such Lien Challenge, which defense or counterclaims shall be withdrawn without prejudice upon entry of the 9019 Order, and, notwithstanding anything herein to the contrary, such contest or defense prior to entry of the 9019 Order by the Supporting Holders shall not be considered to have been a Bondholder Litigation or Bondholder Breach.

(g) If a Lien Challenge is brought by the Government Parties at any time in violation of the terms hereof, the Supporting Holders shall have the right to contest and defend against such Lien Challenge on any grounds, including bringing counterclaims related to such Lien Challenge, and, notwithstanding anything herein to the contrary, such contest or defense by the Supporting Holders shall not be considered a Bondholder Litigation or Bondholder Breach and shall not be grounds for the Government Parties to declare a Stipulated Treatment Termination.

(h) Notwithstanding anything to the contrary herein, upon the commencement of any Lien Challenge, Assured and the Ad Hoc Group shall have the right to file briefs and participate in oral argument with respect to such Lien Challenge and to otherwise appeal any legal issues implicated in such Lien Challenge, and such participation by Assured and the Ad Hoc Group in any Lien Challenge shall not be considered to have been a Bondholder Litigation or a Bondholder Breach, and shall not be grounds for the Government Parties to declare an Individual Termination or a Stipulated Treatment Termination; provided, however, that Assured and the Ad Hoc Group shall not have the right to participate in discovery in such Lien Challenge.

(i) The 9019 Order shall provide that no person or entity (including a person or entity acting on behalf of a Government Party) other than the Government Parties shall have standing or otherwise be permitted to bring a Lien Challenge.

(j) Subject to Sections 7(a)(i) - (ii), the Transformation Transaction structure shall be in the sole discretion of the Government Parties.

(k) The Supporting Holders shall support and not interfere with Transformation Transaction to the extent such Transaction is consistent with Sections 7(a)(i) - (ii).

(l) To the extent any consents are required for a Transformation Transaction from the Supporting Holders, such consent shall not be unreasonably withheld or delayed, subject to a good faith determination that such Transformation Transaction will not adversely affect its Stipulated Treatment and is otherwise in compliance with Sections 7(a)(i) - (ii).

(m) The Supporting Holders may take actions reasonably necessary to protect their rights and treatment under this Definitive RSA, including the value of the recovery thereunder, which actions may include, without limitation, opposing any request by the Government Parties for approval of any priming post-petition financing arrangement; provided that such actions shall not include (i) seeking appointment of a receiver, (ii) exercising any rights or remedies under the Trust Agreement or the Puerto Rico Electric Power Authority Act (Act 83-1941), as amended (including actions as a Bondholder on account of the Bonds and including seeking adequate protection), or (iii) preventing or seeking to prevent the Government Parties from providing the Supporting Holders with the Stipulated Treatment; provided that the preceding clause (iii) shall not prevent Supporting Holders from objecting to a Plan, qualifying modification, exchange, or restructuring through a Permitted Objection. Nothing herein shall prevent a Supporting Holder from challenging any action to prime the Bonds subject to this Agreement; provided that Supporting Holders shall not be permitted to seek appointment of a receiver (or seek to lift the stay to seek a receiver) as part of such a challenge. Notwithstanding anything herein to the contrary, any action permitted pursuant to this paragraph shall not constitute a Bondholder Litigation or Bondholder Breach.

(n) The Supporting Holders shall not take any actions preventing or seeking to prevent the Government Parties from providing the Supporting Holders with the Stipulated Treatment; provided that this subsection (n) shall not prevent Supporting Holders from taking actions expressly permitted under the terms of this Agreement, including objecting to a Plan, qualifying modification, exchange, or restructuring through a Permitted Objection.

(o) Supporting Holders hereby consent to an amendment to the Trust Agreement (the “**TA Amendment**”) to increase certain thresholds for certain Bondholder action or direction under Sections 502, 804 and 808 of the Trust Agreement to no more than a majority in aggregate principal amount of the outstanding Bonds if and to the extent that the Required Parties deem the TA Amendment to be reasonable and appropriate to facilitate implementation of the RSA. Upon the request of the Required Parties, Supporting Holders agree to take commercially reasonable efforts to promptly confirm and transmit such consent to any parties necessary to ratify the TA Amendment.

#### **Section 4      Waiver and Support Fees.**

(a) On the Effective Date and concurrently with the issuance of the Securitization Bonds, the Ad Hoc Group members shall receive a waiver and support fee in the form of Tranche A Bonds, which, as of May 1, 2019, equals 1.9350% of the par amount of PREPA Bonds held as of July 1, 2018 by the Ad Hoc Group (as defined in the Preliminary RSA) members in the aggregate (the “**Ad Hoc Group Waiver and Support Fee**”). The Ad Hoc Group Waiver and Support Fee shall be allocated among the members of the Ad Hoc Group as set forth on Annex B hereto, which Annex B shall be in the sole discretion of the Ad Hoc Group. Once Annex B is finalized, counsel to the Ad Hoc Group shall notify counsel to the Government Parties, and

following finalization, Annex B cannot be amended without the consent of every Supporting Holder listed therein.

(b) On the Effective Date and concurrently with the issuance of the Securitization Bonds, Assured shall receive a waiver and support fee in the form of Tranche A Bonds initially equal to 1.8850% of the par amount of PREPA Bonds held or insured by Assured as of May 1, 2019.

(c) Additional support (and potential waiver) fee in the form of Tranche A Bonds initially equal to 0.8360% of par amount of total outstanding PREPA Bonds as of May 1, 2019, to be provided to Supporting Holders, including additional signatories, in a manner to be mutually agreed upon by the Required Parties.

(d) Any unpaid fee payable at any time to any Ad Hoc Group Member or other Supporting Holder (including Administrative Claims accruing on Waiver and Support Fees) shall not be paid to such Ad Hoc Group Member or other Supporting Holder if there has been an Individual Termination as to such Ad Hoc Group Member or other Supporting Holder, and such unpaid fee shall be reallocated among the Ad Hoc Group (in the case of a termination as to an Ad Hoc Group Member) or the Supporting Holders.

## **Section 5 Mutual Obligations and Acknowledgments.**

(a) Each Party shall work collaboratively and in good faith with the other Parties to finalize, document, and implement the 9019 Settlement and Plan incorporating the terms and conditions described in this Agreement and such other terms, conditions, and documents necessary or appropriate to implement and effectuate the 9019 Settlement and the Plan based on, and consistent with, this Agreement, including without limitation the Definitive Documents and the Additional Definitive Documents. The Definitive Documents shall meet the standards set forth in Section 1(b)(iv) herein. The Additional Definitive Documents shall meet the standards set forth in Section 1(b)(v) herein.

(b) Each Party shall refrain from promoting or supporting (by providing legal or financial advice or assistance), or entering into any agreement, in each case that is materially inconsistent with the Restructuring or this Definitive RSA, that would materially and adversely affect the ability of the Government Parties to comply with their respective obligations under this Definitive RSA, the Definitive Documents, or the Additional Definitive Documents (to the extent relating to treatment of Bonds subject to the RSA), or that would prevent the Government Parties from providing the Securitization Bond Treatment or the Stipulated Treatment, as applicable. Except as set forth herein, nothing in this Agreement shall prevent any Government Party from discharging its statutory duties, including by amending the Fiscal Plan or budget or commencing or defending any litigation against any party (other than the Supporting Holders, solely in their capacity as Bondholders).

(c) The Parties shall use commercially reasonable efforts to cause each of the below milestones to occur by the dates specified therein:

(i) the filing of the Settlement Motion no later than ten (10) business days after execution of this Agreement by the Required Parties;

- (ii) the entry of the 9019 Order by June 30, 2019;
- (iii) the implementation of the Settlement Charge by July 1, 2019;
- (iv) the commencement of the Settlement Payments by August 30, 2019;
- (v) the enactment of all legislation necessary to support the Restructuring by the date the Plan is filed;
- (vi) the filing of the Plan by March 31, 2020;
- (vii) the occurrence of the Effective Date and issuance of the Securitization Bonds or Stipulated Treatment by the Outside Date.

(d) Except as expressly provided herein, this Agreement shall not require any Supporting Holder to expend any cash resources or assume any additional risk or liability (including, for the avoidance of doubt, indemnifying the Trustee) in support of the Plan or this Agreement.

#### **Section 6      Agreements of the Supporting Holders.**

(a) Agreement to Vote and other Covenants. Subject to the terms and conditions hereof, each Supporting Holder agrees that it shall:

(i) subject to the receipt by such Supporting Holder of the Disclosure Statement, vote or cause to be voted its Claims with respect to Bonds (and, in relation to Assured, Claims with respect to the Assured Insured Interest Rate Swaps) beneficially owned or controlled (including pursuant to a Bond Insurance Agreement) by it for voting purposes, whenever acquired, to accept a Plan that is consistent with the Definitive RSA by delivering its duly executed and completed ballots accepting the Plan on a timely basis and not object to such Plan other than through a Permitted Objection; provided that, in the case of Insured Bonds, an Uninsured Supporting Holder shall only be obligated to vote the Insured Bonds beneficially owned or controlled by it if the conditions set forth in Section 6(d) are satisfied; provided, further, with respect to votes contemplated by this Section 6(a)(i) or 6(b), in the event of a declaration of a Stipulated Treatment Termination or an Individual Termination (or, in the case of this Section 6(a)(i), a Securitization Termination) as to any Supporting Holder prior to the Effective Date, then (A) the votes of such Supporting Holder, if the voting deadline has not passed, shall be immediately and automatically revoked and deemed void *ab initio*, and (B) if the voting deadline has passed, nothing shall prevent such Supporting Holder from petitioning the Title III Court (or other applicable court) to allow it to change or withdraw its vote;

(ii) support and take any and all commercially reasonable, necessary, or appropriate actions to facilitate, implement, and consummate the Restructuring, including, without limitation, by working cooperatively with the Government Parties, Assured, the Ad Hoc Group, and the other Supporting Holders to prepare

and execute any documentation necessary (including the Definitive Documents and Additional Definitive Documents) and by giving any notices, orders, instructions, or directions that are commercially reasonable, necessary, or appropriate to support, facilitate, implement, or consummate, or otherwise give effect to, the Restructuring; provided, however, that nothing in this Agreement shall require any Party to indemnify any person; and

(iii) at the reasonable request of any of the Government Parties, the Supporting Holders shall support the confirmation of the Plan, including by supporting the Government Parties' efforts to defend against objections to confirmation and other Plan-related litigation; provided that nothing herein shall require a Supporting Holder to file pleadings adverse to (A) itself in any capacity or (B) its rights under Bond Insurance Agreements; and provided further that, so long as the Ad Hoc Group and Assured are in compliance with this covenant, only Supporting Holders that are represented by counsel that has appeared in the Title III Case shall be required to file a pleading pursuant to this covenant but all Supporting Holders will be required to otherwise support confirmation of the Plan.

(b) Agreement to Vote for Stipulated Treatment. If a Supporting Holder is entitled to the Stipulated Treatment and such Stipulated Treatment is offered in any Plan, qualifying modification, exchange, or restructuring of the Bonds after a Securitization Termination, then, subject to the receipt by such Supporting Holder of appropriate disclosure documents, such Supporting Holder shall vote or cause to be voted, or provide consent on behalf of, its Bonds or Claims with respect to Bonds (and, in relation to Assured, Claims with respect to the Assured Insured Interest Rate Swaps) beneficially owned or controlled (including pursuant to a Bond Insurance Agreement) by it for voting purposes to accept or consent to such Plan, qualifying modification, exchange, or restructuring by delivering its duly executed and completed ballots or consents to such Plan, qualifying modification, exchange, or restructuring on a timely basis and not object to such Plan, qualifying modification, exchange, or restructuring other than through a Permitted Objection; provided that such vote is subject to revocation on the terms set forth in Section 6(a)(i).

(c) Transfers.

(i) No Supporting Holder shall sell, assign, transfer or otherwise pledge or dispose of ("**Transfer**") any Uninsured Bonds beneficially owned by such Supporting Holder, or any voting, consent, or direction rights related to such Uninsured Bonds, provided, however, that such Transfer may be made (A) if the transferee is a Supporting Holder at the time of the Transfer or (B) if the transferee is not a Supporting Holder at the time of the Transfer, such transferee delivers to counsel to the Ad Hoc Group, PREPA, AAFAF, and FOMB, at or prior to the consummation of the Transfer, the Joinder Agreement attached hereto as Exhibit A, pursuant to which such transferee shall assume all rights and obligations (other than the right to the Waiver and Support Fees) of such Supporting Holder transferor hereunder with respect to the transferred Bonds (such transferee (a "**Bond Qualified Transferee**"), if any, shall also be a Supporting Holder hereunder). Subject to Section 6(c)(iv), any additional Bonds held by such Bond Qualified

Transferee at the time it joins this Definitive RSA shall become subject to this Definitive RSA. To the extent that a Transfer violates the provisions of this Section 6, the Transfer shall be void *ab initio* and the applicable Uninsured Bonds and the Supporting Holder attempting the Transfer of the Uninsured Bonds shall continue to remain subject to the terms of this Agreement and count towards the Required Threshold if the Supporting Holder can demonstrate to the satisfaction of the Government Parties in their sole discretion that they retain control of such Bond.

(ii) Qualified Marketmaker. Notwithstanding anything contained in this Agreement to the contrary,

(1) solely prior to the RSA Marketmaker Period or any other time during which there are no RSA Marketmakers listed on the RSA Marketmakers List, a Supporting Holder may Transfer any right, title or interest in the Uninsured Bonds to a Qualified Marketmaker, acting in its capacity as a Qualified Marketmaker, without the requirement that such Qualified Marketmaker be or become a Supporting Holder; provided that such Qualified Marketmaker subsequently Transfers such right, title or interest in the Uninsured Bonds to a Supporting Holder or a Bond Qualified Transferee within the date that is thirty (30) business days after such Qualified Marketmaker's acquisition of such right, title or interest, and in any event no later than ten (10) business days prior to the voting deadline on the Plan, qualifying modification, exchange, or other restructuring of the Uninsured Bonds pursuant to which the Securitization Bond Treatment or the Stipulated Treatment is being offered (the "**Marketmaker Holding Period**"). For the avoidance of doubt, upon expiration of the Marketmaker Holding Period, if the Qualified Marketmaker has not Transferred such right, title or interest in the Uninsured Bonds to a Supporting Holder or a Bond Qualified Transferee, the Qualified Marketmaker shall be required to sign the Joinder Agreement attached hereto as Exhibit A, which Joinder Agreement shall be binding with respect to any Uninsured Bonds subject to this Definitive RSA that are held by such Qualified Marketmaker in its capacity as a Qualified Marketmaker. Whether the Qualified Marketmaker signs a Joinder Agreement or not, upon expiration of the Marketmaker Holding Period, the Qualified Marketmaker (by accepting or otherwise participating in the Transfer of Uninsured Bonds subject to this Definitive RSA) will be deemed to have agreed to comply with the voting obligations set forth in Sections 6(a) and (b) hereto; provided, however, that such obligations shall be replaced by the obligations in the RSA Marketmaker Joinder if such Qualified Marketmaker subsequently becomes an RSA Marketmaker. If a Qualified Marketmaker does not comply with the foregoing procedures, such failure by such Qualified Marketmaker to comply shall not be considered a Bondholder Breach by such Transferring Supporting Holder unless (i) the Supporting Holder transferring such Uninsured Bonds does not inform the Qualified Marketmaker that such Uninsured Bonds are subject to the RSA and (ii) the Qualified Marketmaker fails to vote the subject Uninsured Bonds as required under this Agreement,

in which case such failure shall be deemed to be a Bondholder Breach by the Transferring Supporting Holder;

(2) during the RSA Marketmaker Period, so long as at least one RSA Marketmaker appears on the RSA Marketmakers List, a Supporting Holder may transfer any right, title or interest in the Uninsured Bonds to either (x) another Supporting Holder or other Bond Qualified Transferee in accordance with Section 6(c)(i) or (y) an RSA Marketmaker (and not any other Qualified Marketmaker), acting in its capacity as a Qualified Marketmaker, without the requirement that such RSA Marketmaker be or become a Supporting Holder; provided that such RSA Marketmaker pursuant to clause (y) above shall be obligated to comply with its obligations under its RSA Marketmaker Joinder; provided further that failure of such RSA Marketmaker to comply with its obligations shall not be considered a Bondholder Breach by a Transferring Supporting Holder unless (i) the Supporting Holder transferring such Uninsured Bonds does not inform the RSA Marketmaker that such Uninsured Bonds are subject to the RSA and (ii) the RSA Marketmaker fails to vote the subject Uninsured Bonds as required under its RSA Marketmaker Joinder; provided, that after voting, if the class in which the Bonds are classified has not accepted a Plan providing the Securitization Bond Treatment or Stipulated Treatment due to failure of one or more RSA Marketmakers to vote Uninsured Bonds subject to this Definitive RSA in compliance with the provisions of the Definitive RSA, then a two (2) week Joinder Period shall be declared (during which time the Parties shall work together to cause the RSA Marketmaker to vote Uninsured Bonds it holds), and if the requisite votes have not been received upon expiration of such Joinder Period (or, if later, a new voting deadline), then any of the Government Parties can declare a Stipulated Treatment Termination pursuant to Section 9(c)(i)(3);

(3) to the extent that a Supporting Holder is acting in its capacity as a Qualified Marketmaker, it may Transfer any right, title or interest in the Bonds that the Qualified Marketmaker acquires from a holder of the Bonds that is not a Supporting Holder without the requirement that the transferee be or become a Supporting Holder; and

(4) a Qualified Marketmaker may, with the consent of the Government Parties, which consent shall not be unreasonably withheld, join this Definitive RSA solely on behalf of a specific trading desk.

(iii) Notice of Transfers. In connection with any Transfer of an Uninsured Bond by a Supporting Holder, such Supporting Holder shall (A) give notice to its direct transferee that the Uninsured Bonds it is Transferring are Uninsured Bonds subject to this Definitive RSA, and (B) give notice to counsel to the Ad Hoc Group and counsel to each of the Government Parties of (i) the CUSIP (or, when available, alternative identifying CUSIP) of Uninsured Bonds it is Transferring, (ii) the principal amount being Transferred, and (iii) the name of the

Supporting Holder or Qualified Marketmaker that is the direct transferee. Failure to give such notices shall not constitute a Bondholder Breach, nor shall it invalidate such Transfer.

(iv) Additional Bonds. Any Supporting Holder may purchase additional Bonds, and any Bondholder may become a Supporting Holder by signing a Joinder Agreement; provided that (A) any such acquired Bonds (and any Bonds held by such joining Bondholder) shall automatically and immediately be deemed subject to all of the terms of this Definitive RSA (including, in the case of Uninsured Bonds, the obligations of the Supporting Holders under this Section 6); provided that (x) Uninsured Bonds that become subject to this Definitive RSA after September 1, 2019, at any period other than during a Joinder Period, shall not be entitled to Administrative Claims, Settlement Payments, Increased Settlement Payments, or Adequate Protection Payments but shall be subject to this Agreement for all other purposes, including voting obligations and entitlement to the Stipulated Treatment, and (y) Other Insured Bonds shall not be entitled to any rights or distributions under this Definitive RSA and (B) on the first of each month, all Supporting Holders shall notify counsel for the Ad Hoc Group (who shall notify the Government Parties) of the amounts and types of Uninsured Bonds acquired during the previous month and the date of such acquisition.

(v) Reporting. Upon the reasonable request of a Required Party, each Supporting Holder shall provide its holdings to counsel to each Required Party.

(vi) Holdings Confidential. Any disclosure by any Supporting Holder to any other Party of its holdings of Bonds shall be treated as confidential information by such other Party unless such other Party receives such information through other means that are not subject to a duty of confidentiality. The foregoing shall not prohibit disclosure of the aggregate principal amount of Bonds held by the Ad Hoc Group or all Supporting Holders collectively and shall not limit the duty of any Party to disclose holdings as required by law, including pursuant to Bankruptcy Rule 2019 or as otherwise required by the Title III Court.

(vii) The Ad Hoc Group. The Ad Hoc Group Members as of the date hereof are listed on Annex A hereto. The members of the Ad Hoc Group may change from time to time upon delivery by counsel to the Ad Hoc Group of a notice to FOMB, PREPA, AAFAF, and Assured with an updated Annex A, and, in the case of the addition of a person to the Ad Hoc Group who is not otherwise party to this Agreement, execution by such person of a Joinder Agreement and delivery of such Joinder Agreement to counsel to FOMB, PREPA, and AAFAF.

(viii) Joinders. In the event a Party to this Agreement receives a Joinder Agreement that was not sent to counsel to the Ad Hoc Group, PREPA, AAFAF and FOMB, then such Party shall forward such Joinder Agreement to counsel to the aforementioned Parties that did not receive such Joinder Agreement.

(d) Insured Bonds Held by Uninsured Supporting Holders.

(i) Assured shall have all of the rights and obligations related to any Assured Insured Bonds and the Assured Insured Interest Rate Swaps, including without limitation the exclusive right to vote such Assured Insured Bonds and Assured Insured Interest Rate Swaps on account of any Plan, other than as expressly set forth in this Section 6(d), Section 9(c) and Section VII(b) of the Recovery Plan Term Sheet, and the 9019 Order shall provide the same. In addition, the Bonds insured by any other monoline insurer (the “**Other Insured Bonds**”) shall not be entitled to any rights or distributions under this Definitive RSA or the 9019 Order.

(ii) The obligations of Uninsured Supporting Holders with respect to any Insured Bonds held by such Supporting Holder shall be as follows:

(1) With respect to Assured Insured Bonds, the Uninsured Supporting Holders shall be subject to the obligations concerning Bondholder Litigation and Bondholder Breach and, if there is a court order providing that the Uninsured Supporting Holders are entitled to vote such Assured Insured Bonds and that such vote shall not adversely affect its rights under the Bond Insurance Agreements, each Uninsured Supporting Holder shall be obligated to vote any Assured Insured Bonds held by such Uninsured Supporting Holders as of the record date in accordance with this Definitive RSA; provided that such Uninsured Supporting Holder may file a Permitted Objection. The Uninsured Supporting Holders shall not have any other obligations with respect to Assured Insured Bonds under this Definitive RSA or the 9019 Order, and shall be permitted to transfer such bonds without any requirement that the transferee sign a Joinder Agreement. Nothing in this Definitive RSA or the 9019 Order shall prejudice the rights of the beneficial holders of any Assured Insured Bonds against Assured.

(2) With respect to the Other Insured Bonds, the Uninsured Supporting Holders shall be subject to the obligations concerning Bondholder Litigation and Bondholder Breach and, if there is a court order providing that its vote shall not adversely affect its rights under the Bond Insurance Agreements, each Uninsured Supporting Holder shall be obligated to vote any Other Insured Bonds held by such Uninsured Supporting Holders as of the record date in accordance with this Definitive RSA; provided that such Uninsured Supporting Holder may file a Permitted Objection. The Uninsured Supporting Holders shall not have any other obligations with respect to Other Insured Bonds under this Definitive RSA or the 9019 Order, and shall be permitted to transfer such bonds without any requirement that the transferee sign a Joinder Agreement. Nothing in this Definitive RSA or the 9019 Order shall prejudice the rights of the beneficial holders of any Insured Bonds against such other monoline insurers.

## **Section 7      Agreements of FOMB, PREPA, and AAFAF.**

(a) Each Government Party agrees that:

(i) prior to the Effective Date of a Plan and the issuance of the Securitization Bonds or the Stipulated Treatment, as applicable, and except with consent of the Required Parties, (x) a Transformation Transaction with regard to the transmission and distribution assets shall not close, and (y) PREPA shall not sell any of its generation assets to the extent used or useful in PREPA's operations.

(ii) the Government Parties shall not proceed with a Transformation Transaction that would prevent the Government Parties from providing the Stipulated Treatment;

(iii) the Government Parties shall use commercially reasonable efforts to cause any vacancies of independent board members to be filled promptly with other independent candidates selected and appointed in accordance with the criteria and procedures set forth in Act 4-2016, as amended;

(iv) PREPA shall provide the Supporting Holders (or, to the extent necessary, their advisors) with the following reports on a monthly basis, unless otherwise mutually agreed to by the Required Parties: (1) a 13-week cash flow, (2) a FEMA flash report, and (3) an account balance report;

(v) FOMB and AAFAF shall provide, within ten (10) business days, written notice to the Ad Hoc Group and Assured, between the date hereof and the Effective Date, of receipt of any notice that is not publicly available of any judicial proceeding commenced or threatened in writing against any Government Party related to PREPA, which could reasonably be expected to have a material, adverse impact on the treatment of the Supporting Holders under this Agreement;

(vi) each Government Party shall use commercially reasonable efforts to provide the Supporting Holders with periodic updates and current information regarding the progress of and details concerning the Transformation Transaction (with a level of detail similar to the information previously provided in the bi-weekly PREPA mediation call); provided that the Government Parties shall not be required to provide any non-public or confidential information unless the Supporting Holder or its advisors has executed a non-disclosure agreement with the Government Parties and the Puerto Rico Public Private Partnership Authority that contains customary restrictions on the ability to disclose or otherwise use such information in litigation; provided, further, that such failure to provide such information shall only entitle Supporting Holders to enforce this provision and no other remedies will be available;

(vii) each Government Party shall (A) act in good faith and use commercially reasonable efforts to support and complete successfully the Solicitation in accordance with the terms of this Agreement, (B) use commercially reasonable efforts to confirm the Plan and consummate the Restructuring and the transactions contemplated thereby in accordance with, and within the time frames contemplated by, this Agreement, (including preparing and executing any documentation necessary (including the Definitive Documents and the Additional

Definitive Documents (to the extent relating to treatment of Bonds subject to the RSA)), securing any necessary IRS Private Letter Ruling, and giving any notices, orders, instructions, or directions that are commercially reasonable, necessary, or appropriate to support, facilitate, implement, consummate, or otherwise give effect to the Restructuring, and (C) not take any action that would prevent the Government Parties from providing the Securitization Bond Treatment or Stipulated Treatment contemplated by this Agreement;

(viii) each of the Government Parties shall use commercially reasonable efforts to provide counsel to the Ad Hoc Group and Assured draft copies of material motions, applications, and other documents relating to the Bonds subject to this Agreement, the Restructuring, or this Agreement that such Government Party intends to file in the Title III Case with sufficient time to respond to and comment thereon;

(ix) FOMB shall amend PREPA's Fiscal Plan and certified budget as required to facilitate the Restructuring; and

(x) the Government Parties shall not enter into any restructuring support or similar agreement related to the Financial Indebtedness other than by amendment to this Agreement, unless consented to by the Required Parties.

(b) Each Government Party agrees that:

(i) to the extent the Government Parties, each acting in its sole discretion and after consultation with a designee of the Ad Hoc Group and a designee of Assured (provided such designees are subject to a non-disclosure agreement acceptable to the Government Parties), determine to apply for ratings on the Securitization Bonds, the Government Parties shall use their commercially reasonable efforts to obtain ratings on the Securitization Bonds, including promptly responding in good faith to documentary or other requests, as soon as reasonably practicable as determined solely by the Government Parties, following consultation with the aforementioned mentioned designee of the Ad Hoc Group and a designee of Assured. To the extent practicable the Government Parties shall provide counsel to the Ad Hoc Group and counsel to Assured drafts of written submissions related to such rating with sufficient time to comment thereon; provided that such counsel for the Ad Hoc Group and Assured are subject to a non-disclosure agreement acceptable to the Government Parties; and

(ii) the Government Parties shall consult with counsel for the Ad Hoc Group and counsel for Assured regarding any IRS Private Letter Ruling Request, including, if practicable, providing drafts of written materials related thereto with sufficient time to comment thereon; provided that such counsel for the Ad Hoc Group and Assured are subject to a non-disclosure agreement acceptable to the Government Parties.

**Section 8** **Force Majeure.** If an event beyond the control of the Government Parties (including hurricanes, fires, explosion, earthquakes, drought, tidal waves, floods, war, or terrorism) (such event, a “**Force Majeure Event**”) prevents any Government Party from complying with any of its obligations under this Agreement, a delay in performance by such Government Party of such obligation shall not be considered a breach of this Agreement through the later of (i) the first day of the month following a restoration of electric service to 85% of the pre-Force Majeure Event levels, or (ii) if any of the Government Parties, Assured, or the Required Uninsured Holders request a hearing on the issue, the date determined by the Title III Court to be reasonable in light of then-prevailing circumstances; provided that the Administrative Claims shall continue to accrue, but Settlement Payments, Increased Settlement Payments, and Adequate Protection Payments, as applicable, shall not be owed, during the period from the occurrence of a Force Majeure Event through the earlier of the dates set forth in clauses (i) and (ii) of this Section 8.

**Section 9** **Termination of and Withdrawal from Definitive RSA.**

(a) Rights of Withdrawal. If

(i) the economic terms of this Agreement are materially amended, modified, supplemented or waived (including pursuant to Section 10) without the written consent of a Supporting Holder that causes a material reduction in the economic value of the recovery to be received by such Supporting Holder; or

(ii) any other provision of this Agreement is materially amended, modified, supplemented, or waived (including pursuant to Section 10) without the written consent of a Supporting Holder in a manner disproportionately and materially adverse to such Supporting Holder in its capacity as a Bondholder,

(any of the preceding clauses of this Section 9(a), a “**Withdrawal Event**”), then in each case, such Supporting Holder shall have the right to withdraw from this Agreement within five (5) business days of receiving notice of such Withdrawal Event (which may be provided through an EMMA notice) by delivering notice of such withdrawal (including the reason for such withdrawal) to counsel to FOMB, PREPA, AAFAF, Assured and the Ad Hoc Group in accordance with Section 27. Such withdrawal shall be effective immediately after delivery of such notice of withdrawal (to the extent such withdrawal is not rescinded), whereupon an Individual Termination shall be deemed to have occurred as to such Supporting Holder.

(b) Securitization Termination.

(i) A Government Party may terminate this Agreement to the extent set forth in clause (iii) of this Section 9(b) (a “**Securitization Termination**”) by delivering notice of such termination in accordance with Section 27 if any of FOMB, the governing board of PREPA, or AAFAF determines that the terms and conditions of the Restructuring will impede or have an adverse impact on the Transformation Transaction or that the terms of the Restructuring are inconsistent with the Transformation Transaction.

(ii) A Government Party may declare a Securitization Termination on or after March 15, 2020 if (A) the Required Parties have not reached agreement on

the Definitive Documents after working collaboratively and in good faith and (B) all legislation necessary to support the Restructuring has not been enacted; provided, that upon a Securitization Termination under this subsection (b)(ii), the Government Parties shall use commercially reasonable efforts to provide the Supporting Holders with a market utility securitization as the Stipulated Treatment.

(iii) Upon the occurrence of a Securitization Termination, the obligation of the Government Parties to provide the Securitization Bond Treatment shall terminate and all other rights and obligations of the Parties under the RSA related to the Securitization Bonds or the Securitization Bond Treatment shall terminate to the extent related to the Securitization Bonds or the Securitization Bond Treatment. The remaining terms of this Agreement, including without limitations, the Government Parties' obligations to provide the Stipulated Treatment, Allowed Claim, Settlement Payments, Increased Settlement Payments, Adequate Protection Payments, and Administrative Claims, the Supporting Holders' obligations to vote in favor of a Plan that provides them with the Stipulated Treatment, and the litigation stay provisions of this Definitive RSA, shall otherwise survive.

(c) Stipulated Treatment Termination.

(i) A Government Party (or, in the case of subsection (4) below, either a Government Party or the Required Holders) may terminate this Agreement and elect not to provide the Stipulated Treatment (a "**Stipulated Treatment Termination**") by delivering notice in accordance with Section 27 (except in the case of subsection (5) below which Stipulated Treatment Termination shall be automatic) if:

(1) The then applicable Required Threshold has not been met (including, without limitation, if Assured defaults on a payment obligation under its Bond Insurance Agreements and such default is determined by the court to cause it to lose its right to vote the Assured Insured Bonds) by the date of entry of the 9019 Order;

(2) The then applicable Required Threshold has not been met (including, without limitation, if Assured defaults on a payment obligation under its Bond Insurance Agreements and such default is determined by the court to cause it to lose its right to vote the Assured Insured Bonds) by September 1, 2019;

(3) The then applicable Required Threshold has not been met (including, without limitation, if Assured defaults on a payment obligation under its Bond Insurance Agreements and such default is determined by the court to cause it to lose its right to vote the Assured Insured Bonds) upon the expiration of any Joinder Period;

(4) The 9019 Order is reversed on appeal; provided that in the event of reversal of the 9019 Order on appeal either a Government Party or

the Required Holders may elect within sixty (60) days of the reversal to declare a Stipulated Treatment Termination pursuant to this subsection (4); provided that the Parties shall work together for such sixty (60) days to find a mutually agreeable solution that addresses the cause of such reversal;

(5) The Title III Case is dismissed;

(6) Confirmation of a Plan that complies with this Definitive RSA is denied; provided that no Stipulated Treatment Termination shall occur under this subsection (6) until the Parties have worked in good faith and used their commercially reasonable efforts to agree on amendments or modifications to the Plan in order to achieve confirmation of such Plan for a period of forty-five (45) days, and FOMB has used its commercially reasonable efforts to seek confirmation of such amended or modified plan of adjustment that is consistent with this Definitive RSA and takes into account the Title III Court's ruling denying confirmation of the prior Plan, and confirmation of such amended or modified Plan has also been denied; provided, that if confirmation of a Plan is denied solely as a result of a Permitted Puerto Rico Objection there shall not be a Stipulated Treatment Termination pursuant to this subsection (6) until FOMB has used its commercially reasonable efforts to seek confirmation of an amended or modified Plan that is consistent with this Definitive RSA and takes into account the Title III Court's ruling denying confirmation of the prior Plan(s) and confirmation of such amended or modified Plan has also been denied for any reason other than solely as a result of a Permitted Puerto Rico Objection; or

(7) Any Supporting Holder (other than Assured and the Ad Hoc Group) participates in contesting or defending any Lien Challenge brought by the Government Parties in compliance with the terms of this Definitive RSA (including, without limitation, asserting any defense or counterclaim in connection therewith); provided, further, that an election to declare a Stipulated Treatment Termination based on this subsection (7) must be made prior to entry of the 9019 Order.

(ii) In the event of a Stipulated Treatment Termination as to all Supporting Holders or an Individual Termination as to an individual Supporting Holder, (1) the Supporting Holder's Bond Claims shall automatically be reduced by the amount of any Settlement Payments (or Increased Settlement Payments or Adequate Protection Payments) made or Administrative Claim accrued and paid to such Supporting Holder on account of its Bond Claims, (2) all prior Settlement Payments, Increased Settlement Payments, Adequate Protection Payments, and payments made on Administrative Claims, as applicable, received by any Supporting Holder subject to such termination shall be retained by the recipient, (3) all Parties reserve all rights as to whether Settlement Payments (or Increased Settlement Payments or Adequate Protection Payments) or payments made on Administrative Claims shall be credited against Claims for principal, pre-petition

interest, or (if applicable) post-petition interest; and (4) accrued and unpaid Administrative Claims shall be disallowed other than the Surviving Administrative Claim.

(iii) Upon the occurrence and declaration by any Government Party of a Stipulated Treatment Termination in accordance with the terms of this Definitive RSA, this Definitive RSA shall become void and of no further force or effect as to all Parties and each Party shall, except as otherwise expressly provided in this Definitive RSA or the 9019 Order, (1) be immediately released from its respective liabilities, obligations, commitments, undertakings, and agreements under or related to this Definitive RSA or the 9019 Order, (2) have no further rights, benefits, or privileges hereunder, and (3) have all the rights and remedies that it would have had, and be entitled to take all actions, whether with respect to the Restructuring, the 9019 Settlement or otherwise, that it would have been entitled to take had it not entered into this Definitive RSA and had the 9019 Order never been issued, and no such rights or remedies shall be deemed waived pursuant to a claim of laches or estoppel; provided that the provisions of this Section 9(c) and the other provisions set forth in Section 17 shall survive; provided, further, that a Stipulated Treatment Termination shall not void any prior tolling pursuant to the Tolling Agreement or the 9019 Order.

(d) Additional Termination Events.

(i) This Definitive RSA may be terminated by mutual agreement of the Required Parties upon the receipt of notice delivered in accordance with Section 27.

(ii) This Definitive RSA may be terminated by the Required Holders if the Settlement Payments have not commenced by August 30, 2019 upon the receipt of notice delivered in accordance with Section 27, subject to a thirty (30) day cure period.

(iii) This Definitive RSA may be terminated by any of the Required Parties, if (x) the Settlement Motion is denied or (y) the 9019 Order has not been entered by August 30, 2019, in each case upon the receipt of notice by a Party delivered in accordance with Section 27.

(iv) This Definitive RSA may be terminated by any of the Government Parties if the Tolling Agreement has not been entered into by the date five (5) business days after the entry of the 9019 Order and subsequently approved by the Title III Court prior to the expiration of the applicable statutes of limitations.

(v) This Definitive RSA may be terminated by any of the Government Parties as to any individual Supporting Holder if such Supporting Holder commits a Bondholder Breach (an “**Individual Termination**”) upon the receipt by such Supporting Holder of notice delivered in accordance with Section 27.

(vi) Either PREPA or AAFAF may terminate all of its obligations under this Definitive RSA solely as to itself in the event that AAFAF objects to a Plan pursuant to a Permitted Puerto Rico Objection and the Title III court sustains such objection; provided that neither PREPA nor AAFAF shall have the right to terminate under this subsection (vi) until (i) the Parties have worked in good faith and used their commercially reasonable efforts to agree on amendments or modifications to the Plan in order to achieve confirmation of such Plan for a period of forty-five (45) days, (ii) FOMB has used its commercially reasonable efforts to seek confirmation of such amended or modified plan of adjustment (which is consistent with this Definitive RSA) taking into account the Title III Court's ruling denying confirmation of the prior Plan, and (iii) AAFAF objects to such amended or modified Plan in a Permitted Puerto Rico Objection and the Title III Court sustains such objection. Nothing in this subsection (vi) shall alter or limit any other termination rights of any of the Government Parties set forth herein including in Section 9(c)(i)(6).

(vii) Any termination pursuant to Sections 9(d)(i) - (iv) shall each be treated as a Stipulated Treatment Termination.

(viii) Any termination pursuant to Section 9(d)(vi) shall be treated as a termination of this Definitive RSA solely as to PREPA or AAFAF, as applicable. Upon the occurrence and declaration by PREPA or AAFAF of a termination pursuant to Section 9(d)(vi), then, except as otherwise expressly provided in the 9019 Order in the form approved by PREPA and AAFAF in connection with this RSA, the right and obligations in the Definitive RSA shall become void and of no further force or effect as to PREPA and/or AAFAF, and the remaining Parties hereto shall have no obligations to PREPA and/or AAFAF; provided that the provisions set forth in Section 17 shall survive as to PREPA and/or AAFAF. Notwithstanding the foregoing, all of the rights and obligations under this Definitive RSA of all other Parties as to each other shall survive such termination as if no such termination occurred, including (i) the FOMB's obligations to provide the Stipulated Treatment, Allowed Claim, Adequate Protection Payments, and Administrative Claims; provided, that the FOMB shall not be obligated to impose a Settlement Charge or Increased Settlement Charge or provide Settlement Payments or Increased Settlement Payments, (ii) the Supporting Holders' obligations to vote in favor of a Plan that provides them with the Stipulated Treatment, and (iii) the Tolling Agreement and the litigation stay provisions of this Definitive RSA.

(e) Automatic Stay. Each Government Party acknowledges and agrees that the giving of notice of termination by any Party pursuant to and in accordance with this Definitive RSA (or any action to enforce this Definitive RSA) shall not be a violation of the automatic stay; provided that nothing herein shall prejudice any Party's rights to argue that the giving of notice of termination was not in accordance with the terms of this Definitive RSA.

(f) Limitation on Termination. No Party may terminate this Agreement if the event giving rise to the termination is the result of such Party failing to perform or comply in any material respect with the terms and conditions of this Agreement.

**Section 10 Definitive Documents; Good Faith Cooperation; Further Assurances.**

(a) Each Party hereby covenants and agrees to cooperate with each other in good faith in connection with, and shall exercise commercially reasonable efforts with respect to, the pursuit, approval, implementation, and consummation of the Restructuring, as well as the negotiation, drafting, execution, and delivery of the Definitive Documents and Additional Definitive Documents (to the extent relating to treatment of Bonds subject to the RSA). Upon written confirmation of an agreement (which confirmation may be by email and must specifically state that it constitutes an agreement pursuant to this Section 10) among the Super Majority Holders, Assured and each Government Party on, and finalization of, the Definitive Documents, this Definitive RSA shall automatically be deemed amended to replace the corresponding portions of the Recovery Plan Term Sheet with the Definitive Documents as Exhibit C hereto and all references in this Agreement to such portions of the Recovery Plan Term Sheet shall be deemed to be references to the Definitive Documents or Additional Definitive Documents, as applicable.

(b) Subject to the terms hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Parties to carry out the purposes and intent of this Definitive RSA, and shall refrain from taking any action that would frustrate the purposes and intent of this Definitive RSA.

**Section 11 Representations and Warranties.**

(a) Mutual Representations and Warranties. Each Party, severally (and not jointly), represents and warrants to the other Parties that the following statements are true and correct as of the date hereof (or as of the date a Supporting Holder becomes a party hereto):

(i) such party has the legal right, power and authority to enter into this Agreement;

(ii) this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium, or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application);

(iii) except in the case of an individual, it is duly organized and validly existing and in good standing under the laws of the jurisdiction of its organization with full power and authority to execute and deliver, and to perform and observe, the terms and provisions of this Agreement;

(iv) the execution, delivery, performance, and observance of this Agreement by such Party (A) has been duly authorized by all necessary action on the part of such Party, does not and will not conflict with, or result in a violation of, any law applicable to it, and does not require it to obtain any permit, consent,

approval, order, or authorization of, or provide notice to or make a filing with, any court, governmental or regulatory agency or authority, or other person or entity that has not been obtained, provided, or made, as applicable, (B) except to the extent modified, stayed or otherwise excused by PROMESA, (1) with respect to FOMB, AAFAF, and PREPA, does not contravene, or constitute a default under any provision of applicable law or regulation or of any agreement, judgment, injunction, order, decree, or other instrument binding on FOMB, AAFAF, or PREPA, as applicable, and (2) with respect to each Party, does not and will not violate, conflict with, or result in the breach of any provision of its organizational or governance documents, and (C) does not and will not result in any breach of, constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, require any consent under, or give to others any rights of, termination, amendment, acceleration, suspension, revocation, or cancellation of any note, bond, mortgage, indenture, contract, agreement, lease, sublease, license, permit, franchise, or other instrument or arrangement to which it is a party, which would materially adversely affect its ability to carry out its obligations under and otherwise observe this Agreement or cause the occurrence of a Stipulated Treatment Termination; provided, however, that clause (C) hereof shall not apply to any note, bond, mortgage, indenture, contract, agreement, lease, sublease, license, permit, franchise, or other instrument or arrangement to which PREPA is a party.

(b) Additional Representations of Supporting Holders. Each Supporting Holder individually represents, warrants, and covenants to each other Party that the following statements are true, correct, and complete as of the date of this Agreement (or, in the case of a Party executing a Joinder Agreement other than in connection with a pending Transfer, as of the date of such Joinder Agreement, and in the case of a Party executing a Joinder Agreement in connection with a pending Transfer of Uninsured Bonds to such joining Party, upon consummation of such pending Transfer of Uninsured Bonds to such joining Party) (each of which is a continuing representation, warranty, and covenant): that it owns or has investment management responsibility for accounts that own Uninsured Bonds in the principal amounts set forth on its respective signature page hereto or its Joinder Agreement (as applicable), which it would be entitled to vote on in a plan (or qualifying modification) solicitation, and that it has not sold, assigned, transferred, participated, or otherwise pledged such Bonds, or any voting, consent, or direction rights related to such Bonds, to any other person or entity that would prevent or adversely affect in any way such Supporting Holders' performance of its obligations contained in this Agreement at the time such obligations are required to be performed, in each case except as permitted by Section 6(c).

(c) Additional Representation of the Ad Hoc Group Members. Each Ad Hoc Group Member that is party to this Agreement on the RSA Execution Date individually represents and warrants to the other Parties that as of the RSA Execution Date it does not beneficially own or control any Uninsured Bonds in a Qualified Marketmaker capacity.

**Section 12 Disclosure; Publicity.** Each Government Party shall endeavor to submit drafts to the Ad Hoc Group and Assured of any press releases, public documents, and any and all filings with the SEC, the Municipal Securities Rulemaking Board, or any state or Puerto Rico governmental agency regarding this Definitive RSA or the Restructuring at least two (2) business

days, to the extent practicable, before making any such disclosure. Except as required by applicable law or otherwise permitted under the terms of any other agreement between a Party and the applicable Supporting Holder, no Party or its advisors shall disclose to any person or entity (including, for the avoidance of doubt, any other Supporting Holder), other than advisors to the Government Parties and the Ad Hoc Group, the principal amount or percentage of Bonds held by the applicable Supporting Holder, in each case, without such Supporting Holder's prior written consent. Notwithstanding the provisions in this Section 12, any Party may disclose, to the extent consented to in writing by a Supporting Holder, such Supporting Holder's individual holdings, and, for the avoidance of doubt, a Supporting Holder shall be permitted to disclose its own individual holdings. Any public filing of this Definitive RSA, with the Title III Court or otherwise, which includes executed signature pages to this Definitive RSA shall include such signature pages only in redacted form with respect to the holdings of each Supporting Holder; provided that the holdings disclosed in such signature pages may be filed in unredacted form with the Title III Court under seal.

**Section 13 Amendments and Modifications.** The terms and conditions of this Agreement, including any exhibits, annexes, or schedules to this Agreement, may not be waived, modified, amended, or supplemented without the written consent of (i) FOMB, (ii) PREPA, (iii) AAFAF, (iv) the Super Majority Holders and (v) Assured; provided that the foregoing is subject to the withdrawal rights pursuant to Section 9(a).

**Section 14 Effectiveness.** Except as specifically provided herein, this Definitive RSA shall become effective and binding on the RSA Execution Date; provided that, until entry of the 9019 Order, (i) the 9019 Settlement shall not be effective; (ii) the Government Parties shall have no obligation to impose the Settlement Charge or Increased Settlement Charge; make Settlement Payments, Increased Settlement Payments, or Adequate Protection Payments; or propose a Plan providing for issuance of Securitization Bonds or Stipulated Treatment; and (iii) the Supporting Holders shall not be entitled to Administrative Claims, the Stipulated Treatment, or Waiver and Support Fees and shall not be obligated to vote in favor of any Plan, qualifying modification, exchange, or restructuring. Notwithstanding the foregoing, in the event the Settlement Motion is denied or the 9019 Order is not entered prior to a termination pursuant to Section 9(d)(iii), this Definitive RSA shall be deemed to have been void *ab initio* and shall be of no further force and effect; provided that the obligations of the Government Parties under Section 22 shall survive with respect to any fees or expenses incurred prior to the date of such denial or termination and required to be reimbursed under the terms of Section 22.

**Section 15 Governing Law; Jurisdiction; Waiver of Jury Trial.**

(a) THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF, EXCEPT THAT, WITH RESPECT TO THE EXISTENCE, POWERS, LEGAL CAPACITY, AND AUTHORITY OF (I) EACH OF AAFAF AND PREPA, THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE COMMONWEALTH OF PUERTO RICO, EXCLUDING THE CONFLICT OF LAWS PRINCIPLES THEREOF, AND (II) AS TO FOMB, THIS AGREEMENT SHALL BE GOVERNED BY PROMESA. Each Party hereto agrees that it shall bring any action or

proceeding with respect to any claim arising out of or related to this Agreement in the Title III Court (or a court of proper appellate jurisdiction) (the “**Chosen Court**”), and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Chosen Court; (b) waives any objection to laying venue in any such action or proceeding in the Chosen Court; and (c) waives any objection that the Chosen Court is an inconvenient forum or does not have jurisdiction over any Party hereto or constitutional authority to finally adjudicate the matter. The Government Parties submit to the jurisdiction of the Chosen Court and irrevocably waive any immunity from suit in the Chosen Court that they may have for any action or proceeding arising out of or relating to this Definitive RSA or the 9019 Order.

(b) Each Party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Definitive RSA or the transactions contemplated herein (whether based on contract, tort or any other theory).

(c) The rights and obligations of the Parties under this Agreement and the 9019 Order shall be binding and enforceable against the Parties, and, to the extent necessary, the Government Parties consent for purposes of section 305 of PROMESA to such enforcement by the Chosen Court.

**Section 16 Specific Performance/Remedies.** The Parties understand and agree that monetary damages would be an insufficient remedy for any breach of this Definitive RSA by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy of any such breach, without the necessity of proving the inadequacy of monetary damages as a remedy. Specific performance and injunctive or other equitable relief to the extent appropriate and allowed by applicable law and the right to terminate this Definitive RSA in accordance with the terms of this Definitive RSA shall be the sole and exclusive remedies for any breach of this Definitive RSA by any Party. Without limiting the ability of a Party to sue for payment of money owed under this Agreement or the 9019 Order, no person or entity shall be entitled to monetary damages for any breach of this Agreement or the 9019 Order. Each Party hereby waives any requirement for security or the posting of any bond in connection with such remedies.

**Section 17 Survival.** Subject to entry of the 9019 Order, notwithstanding the termination of this Definitive RSA pursuant to Section 9(d)(vi) (as to PREPA or AAFAF), pursuant to an Individual Termination (as to an individual Supporting Holder), or a Stipulated Treatment Termination (as to all Parties), Sections 9(c) and 15-19(a), 20-22 and 24-31 shall survive such termination and shall continue in full force and effect in accordance with the terms hereof.

**Section 18 Headings.** The headings of the sections, paragraphs, and subsections of this Definitive RSA are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Definitive RSA.

**Section 19 Successors and Assigns; Severability.**

(a) This Definitive RSA is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators, and

representatives; provided that nothing contained in this Section 19 shall be deemed to permit Transfers of the Bonds or any related Claims other than in accordance with the express terms of this Definitive RSA. If any provision of this Definitive RSA, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable, in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and the remainder of this Definitive RSA shall continue in full force and effect.

(b) Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Definitive RSA so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner so that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

**Section 20 Several, Not Joint, Obligations.** The agreements, representations, warranties, and obligations of the Parties under this Definitive RSA are, in all respects, several and not joint.

**Section 21 Relationship Among Parties.** Unless expressly stated herein, this Definitive RSA shall be solely for the benefit of the Parties, and no other person or entity shall be a third-party beneficiary hereof. No Party shall have any responsibility for any trading by any other entity by virtue of this Definitive RSA. Except as expressly set forth in this Definitive RSA, nothing in this Definitive RSA shall be construed to affect any actual or potential claims arising from any obligation of the Government of Puerto Rico or any of its instrumentalities other than PREPA. Except as expressly set forth in this Definitive RSA, nothing in this Definitive RSA shall constitute or be construed as a waiver or release of any claims or causes of action against FOMB, AAFAF, PREPA, or the Government of Puerto Rico or any of its affiliates or instrumentalities prior to the Effective Date.

No Bondholder shall have any liability to any other Bondholder arising from or related to:

- (i) any extensions of the deadlines set forth herein pursuant to the terms of this Definitive RSA;
- (ii) the termination of this Definitive RSA pursuant to its terms, whether or not such termination is as to all Supporting Holders;
- (iii) any waivers, modifications, amendments, or supplements of or to this Definitive RSA; or
- (iv) the exercise of, or failure to exercise, any other consent, termination, or other rights pursuant to this Definitive RSA or the 9019 Order. This paragraph shall be included in the 9019 Order.

**Section 22 Fees & Expenses.**

(a) (i) The reasonable fees and reasonable expenses of the Ad Hoc Group incurred in connection with the Preliminary RSA, this Definitive RSA, and any documents and transactions relating to or implementing the foregoing on or after July 23, 2018 through the Effective Date (or, if earlier, a Stipulated Treatment Termination), limited to one (1) primary law firm, one (1) municipal bond counsel law firm, one (1) Puerto Rico law firm, one (1) financial advisor, and one (1) utility consultant, shall be reimbursed by PREPA on a monthly basis within sixty (60) days following submission of an invoice and redacted time detail summary to counsel to FOMB, PREPA, and AAFAF and (ii) the reasonable fees and reasonable expenses of the Ad Hoc Group members up to \$25 million for the period prior to July 23, 2018, shall be reimbursed on the Effective Date as agreed in connection with the Preliminary RSA.

(b) The reasonable fees and reasonable expenses of Assured incurred in connection with the Preliminary RSA, this Definitive RSA and any documents and transaction relating to or implementing the foregoing on or after August 1, 2018 through the earliest to occur of (i) the Effective Date, (ii) a Stipulated Treatment Termination, or (iii) an Individual Termination as to Assured, limited to one (1) primary law firm, one (1) Puerto Rico law firm, one (1) financial advisor, one (1) municipal bond counsel law firm, and one (1) utility consultant, shall be reimbursed by PREPA on a monthly basis within sixty (60) days following submission of an invoice and redacted time detail summary to counsel to FOMB, PREPA, and AAFAF.

(c) Reimbursement of reasonable fees and expenses pursuant to Sections 22(a)(i) and 22(b) shall be subject to delivery of all required certifications under Puerto Rico law and accompanied by detailed time records with appropriate redactions.

(d) Payments made pursuant to this Agreement (including reimbursement of fees and expenses pursuant to this Section 22, other than in the case of reimbursement of fees and expenses for services rendered in Puerto Rico) shall not be subject to withholding tax under the Puerto Rico Internal Revenue Code of 2011, as amended.

(e) In the event of a termination by PREPA or AAFAF pursuant to Section 9(d)(vi), the obligation of PREPA or AAFAF to pay any fees that accrue after the effective date of such termination shall terminate, but any fees and expenses incurred after such date and until the earlier of the Effective Date or a Stipulated Treatment Termination or any fees and expenses pursuant to Section 22(a)(ii), in each case to the extent they would otherwise have been due and payable hereunder, shall constitute an Administrative Claim entitled to be paid in cash on the Effective Date of a Plan and, notwithstanding anything herein to the contrary, such Administrative Claim shall survive a Stipulated Treatment Termination.

**Section 23 Most Favored Nations.** Other than with respect to the receipt by Assured of the Assured Treatment in accordance with the terms hereof, to the extent any holder(s) of Financial Indebtedness receives a treatment under a Plan, qualifying modification, exchange, or restructuring, however funded, more economically favorable than the treatment proposed to be received by the Ad Hoc Group Members or Assured, then (i) such treatment shall only be allowed and considered consistent with this Agreement if it does not adversely affect the Ad Hoc Group's or Assured's recoveries, and (ii) additional consideration shall be provided to the Ad Hoc Group or Assured, as applicable, such that the treatment of the Ad Hoc Group or Assured is at least as favorable as the treatment being provided to such holder(s) of Financial Indebtedness.

Notwithstanding the foregoing, the Ad Hoc Group and Assured shall not object pursuant to this Section 23 if holders of Financial Indebtedness (other than Uninsured Bonds) receive the same treatment with the same terms as the Ad Hoc Group is receiving, so long as such treatment does not adversely affect the Ad Hoc Group's or Assured's recoveries. Adjustments to coupons and par on the bonds received by such holder(s) of Financial Indebtedness are authorized, so long as total cash flow payable each year remains the same (with proportional adjustments for the varying claim sizes of varying legacy debt claims), and so long as such treatment shall not adversely affect the Ad Hoc Group's or Assured's recoveries.

**Section 24     Preservation of Rights.** Except as expressly provided in this Agreement or the 9019 Order, the Parties expressly reserve all rights, contractual or otherwise, under Title III or any other provision of PROMESA or any other law or regulation. Upon an Individual Termination (as to an individual Supporting Holder), a Stipulated Treatment Termination (as to each Party), or a termination pursuant to 9(d)(vi) (as to AAFAF or PREPA), subject to Section 9(c), (i) no such Party shall be precluded, by virtue of having been a Party to this Agreement or otherwise having engaged in negotiations regarding the Restructuring, 9019 Settlement or other matters related to this Agreement, from exercising any and all rights, whether contractual or otherwise, in connection with any proceeding under Title III or under any other provision of PROMESA or any other law or regulation, (ii) no provision of this Agreement, the 9019 Order or other document related to this Agreement, the Restructuring or the 9019 Settlement or statement made during the negotiations thereof, shall be used against any such Party in any proceeding under Title III or any other provision of PROMESA or otherwise, provided that a Section 9(d)(vi) termination as to AAFAF and PREPA shall have no effect on any remaining Parties' rights with respect to any other remaining party hereunder and in the 9019 Order and ability to enforce such rights, and (iii) each such Party shall be restored to its original position. Notwithstanding the generality of the foregoing in this Section 24, except as otherwise provided in this Agreement, no Party shall be precluded from asserting any right, and each Party shall preserve each of its rights and shall not be impeded by this Agreement from bringing before any applicable court any available averment, defenses or priority allegation, or from challenging or contesting any such rights, whether under such law or otherwise, on any grounds.

**Section 25     Prior Negotiations; Entire Agreement.** This Definitive RSA, including the exhibits, annexes and schedules hereto, constitutes the entire agreement of the Parties and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that all confidentiality agreements executed between one or more Parties before the execution of this Definitive RSA shall continue in full force and effect. Without limitation of the foregoing, the Preliminary RSA is superseded by this Definitive RSA and terminated in its entirety and shall be of no further force and effect.

**Section 26     Counterparts.** This Definitive RSA may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Definitive RSA delivered by PDF shall be deemed to be an original for the purposes of this paragraph.

**Section 27     Notices.** All notices hereunder shall be deemed given if they are made in writing and delivered by electronic mail, courier, or registered or certified mail (postage prepaid, return receipt requested) (and if by any method other than electronic mail, then with a copy by electronic mail) to the following addresses (or at such other addresses as shall be specified by like notice):

Any notice given by mail or courier shall be effective when received. Any notice given by electronic mail shall be effective upon oral, machine, or electronic mail (as applicable) confirmation of transmission. For purposes of this Agreement, notices and other communications may be delivered by a Party or by its authorized representatives. Any notice provided to an individual Supporting Holder hereunder must also be provided to the Required Parties.

(b) If this Agreement is terminated as to any Government Party, Assured or the Ad Hoc Group, FOMB shall publish notice of such withdrawal or termination on its website and

PREPA shall file a notice with EMMA not later than one (1) business day after receipt of such notice.

(c) Unless otherwise mutually agreed to by the Required Parties, this Agreement, and each amendment hereto, shall be posted by FOMB on its website and PREPA shall file a notice with EMMA not later than one (1) business day after the execution and delivery hereof and thereof, subject to the confidentiality restrictions contained herein, including Section 12.

**Section 28 Settlement Discussions.** This Definitive RSA is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. This Definitive RSA and all negotiations relating thereto shall be deemed to be settlement discussions covered by Rule 408 of the Federal Rules of Evidence, any applicable state rules of evidence, and any other applicable law, foreign or domestic. Further, other than in a proceeding to enforce or implement this Definitive RSA's terms (or the terms of the 9019 Order), no Party shall offer into evidence this Definitive RSA, or any negotiations relating thereto. If this Definitive RSA is terminated, for any reason, no Party shall use any of the terms in this Definitive RSA against the other Party other than for enforcing its remedies under this Definitive RSA and to extent provided.

**Section 29 No Solicitation; Adequate Information.** This Definitive RSA is not and shall not be deemed to be a solicitation for consents to a Plan, qualifying modification, exchange, or restructuring. The votes of the holders of Claims against PREPA will not be solicited until such holders who are entitled to vote on Plan have received the required solicitation in accordance with PROMESA. In addition, this Definitive RSA does not constitute an offer to issue or sell securities to any person or entity, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

**Section 30 No Waiver.** The failure or neglect by a Party to enforce any rights under this Agreement will not be deemed a waiver of that Party's rights. No waiver of satisfaction of or nonperformance of an obligation under this Agreement will be effective unless in writing and signed by the Party granting the waiver.

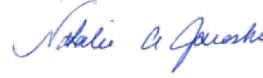

**Section 31 Representation by Counsel.** The Parties agree that they have each been represented by legal counsel during the negotiation and execution of this Definitive RSA and, therefore, waive the application of any law, regulation, holding, or rule of construction providing that ambiguities in an agreement or other document shall be construed against the party drafting such agreement or document.
